What happens next?

1. Have a look through our styling options and find the right package for you. Our packages are fully customisable and flexible, so if you don't see exactly what you're after just get in touch and we'll put a bespoke package together for you. Want to make sure we'll be a good fit first? We hear you! Just reach out and we will arrange a video call.
2. Pop an email over with your requirements and we will send you a quote, along with an online booking form and our T&Cs. When you're ready to go ahead we will send you an invoice - we require a 25% deposit in order to reserve your date in our diary.
3. Next we will arrange a consultation at your venue so we can discuss and test out options for your styling in the space. We will give you fabric samples of the colour collection that you're interested in, to help you coordinate your other wedding accessories, outfits and floristry etc.
4. Now it's time to sit back and relax, safe in the knowledge that your wedding decor is all in hand! Your 75% invoice balance is due 4 weeks before the big day, and we will also ask you to confirm your final numbers and seating plan at this stage. If you need anything in the meantime, we are just a phone call or email away and are always excited to talk weddings!
